### **DDS CONSTRUCTORS ANNOUNCE THE ADDITION OF A NEW Project Manager**

**DDS Constructors, LLC** (a division of DDS Companies), announces the addition of Todd Rickard as Project Manager. He has over 18 years of industry experience with more than 16 years of experience managing construction.

Todd is responsible for the successful management and coordination of multiple site construction, asphalt paving projects and snow plowing services. The focus of his work involves managing project plans and overseeing project bids, estimates, change orders, and scope of work contracts, as well as the coordination of project requirements with subcontractors, inspectors and customers.

The DDS family of companies includes **DDS Constructors, DDS Engineers, and Rochester Utility Contractors (RUC)**. The **DDS Companies** form a single-source solution team, capable of developing a project from conception through final construction. The three businesses unite their services to provide site planning, site design, and construction, as well as underground utility, and telecommunications construction to a variety of customers including land developers, homebuilders, utility, and telecommunications companies.
